Magic Table markers · ArUco 4x4_50 · print at 100% (actual size)

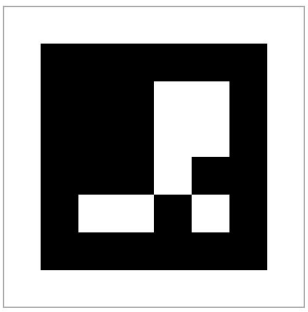

Cut along the grey lines. Glue flat on matte paper; no glossy tape over them.

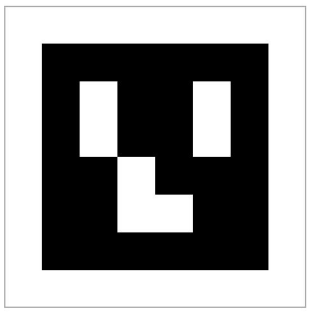

ID 0 · board corner

ID 1 · board corner

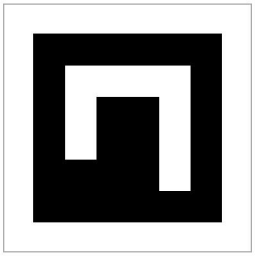

ID 2 · board corner

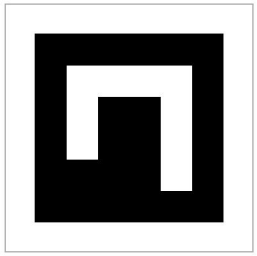

ID 3 · board corner

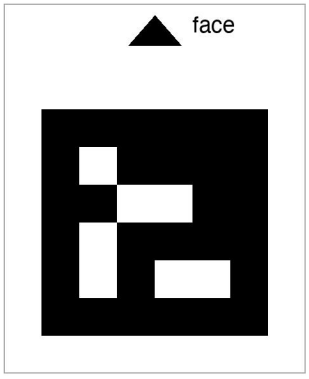

Any corner each, black board all around (a white border touching white cloth hides it).

ID 10 · head

ID 10 · head (spare)

ID 20 · top of Mate, arrow to its face

This line should measure exactly 100 mm. If not, the printer scaled the page.
